

Davidcito Font

eggs
milk
tomatoes
cigarettes

The only hand written font of David Espinosa Type Foundry. His self-style font was think'd to give a touch of handmade style to your projects.

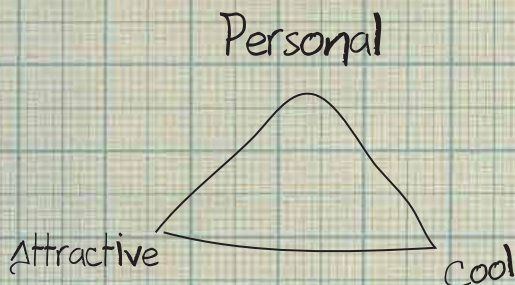

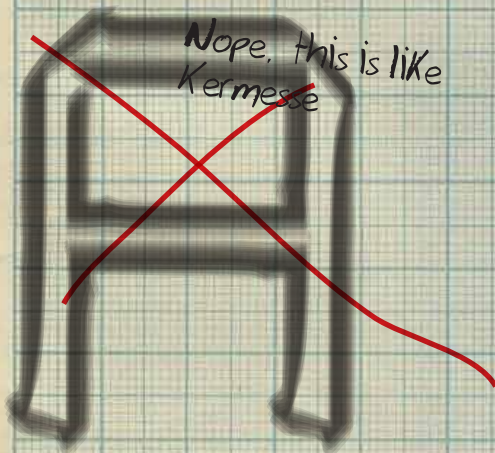

Really! This is a very useful typeface. Don't doubt it. Contact to David Espinosa and ask him "What the \$%/\$ are you thinkin'? My project is too nice to use your typeface."

David Espinosa. Always making us ~~laugh~~ laugh.
